The I-Remit system allows you to check whether or not individual employees have working dues deduction authorization on file. If you remit Benefit Funds' contributions directly without using the electronic I-Remit system, you should call the District Council at 212.366.7375 to verify whether or not individuals have working dues deduction authorization on file. If the collective bargaining agreement under which you are working provides for working dues deduction, you are required to deduct working dues from each employee's wages and remit those deducted working dues on behalf of each employee who has a working dues deduction authorization on file.
